Dear Sir/Madam:

Nagaoka University of Technology would like to take this opportunity to introduce our graduate course, "International Graduate Course for Continuing Professional Development", which is offered for researchers and engineers from developing countries to provide the opportunity of advanced study, research and experience in engineering fields so that they can contribute to the industrial development of their home countries.

Our university will nominate 10 master's students and 10 doctoral students for 2017 Japanese Government (Monbukagakusho) Scholarship out of successful candidates from this course who meet the conditions of nomination for the Japanese Government Scholarship.

All programs for this course are conducted in English.

We would appreciate if you could let the eligible applicants know the details of this program. And it is highly appreciated if you kindly put the enclosed poster on the notice board in your department. Please note that the application deadline is on **October 7, 2016**.
